Grand Total: \$43.03 billion in tax savings so far!

This only documents how much taxpayers have saved DIRECTLY from our tax initiatives. We can't calculate how much taxpayers have saved from all the tax increases we fought against and stopped over the years. When our 4 initiatives were passed by voters and required a 2/3-vote-to-raise-taxes, they stopped tons of tax hikes, saving taxpayers BILLIONS more. We're fighting for taxpayers!
